About Us

Grand Oasis Event Hall is located at No 1, Persiaran Kota Perdana , Seri Kembangan (LDP Puchong). This is an unique hall was designed in line with architectural design of the building by using free-flowing and curvilinear languages. We used a lot of sketches and on-site communication to ensure the delivery of the project.

It is a two storey height gallery building in which ground floor area is a huge exhibition / hall area and having its spacious double volume space – in connection to the external landscaping area. It created a maximum transparency that enhances the visual contact to the green environment and the lake outside. Grand Oasis also expresses new event experience not only by its irregular shape and form but with view and landscape
